Melvin "Kip" Holden

The four candidates for the position of Baton Rouge mayor-president will address the Sherwood Forest Citizens' Association annual general membership meeting on Thursday, Oct. 25. The meeting will begin at 7 p.m. in the St. Thomas More Parish Activity Center, Dartmoor Drive at Goodwood Boulevard.

**Melvin "Kip" Holden**, the incumbent, has served two four-year terms as mayor-president. His challengers in November are **Gordon Mese**, a political newcomer and owner of Garden District Nursery on Government Street; **Steve Myers**, real estate broker and lawyer; and **Mike Walker**, mayor *pro tempore* of the East Baton Rouge Parish Metro Council, who represented District 8 for three consecutive four-year terms.

The general election is **Nov. 6**, with any necessary runoff elections taking place on **Dec. 8**. Presidential electors and a number of statewide and local legislative and judicial candidates, including Metro Council representatives, also will be on the ballot.

### Metro Council Races

**Redistricting of the Metro Council** will become effective January 1, 2013. The new boundaries place residents of Sherwood Forest in three separate districts, depending on addresses. Previously most of Sherwood Forest was in District 8.

**All contested Metro Council seats** will be on the ballot Nov. 6. Residents living east of Sherwood Forest Boulevard in Precincts 55, 71 and 87 will be in **District 4**, currently represented by Scott Wilson, who is unopposed. Those in Precinct 60, west of the boulevard and north of Major Oak Drive, will be in **District 6**, currently represented by Donna Collins-Lewis, who is running for re-election against challengers Edward DeValle, Carolyn George and William Roundtree. Those in Precinct 72, between Major Oak and Old Hammond Highway, will continue in **District 11**. Current representative Alison Gary is not seeking re-election in November. Ryan Heck qualified and is unopposed.

## *From the President's Desk...*

**By Ricky Shaffer, President, Sherwood Forest Citizens' Association**

**Hello**, I am happy to have served as president of the Sherwood Forest Citizens Association for 2012. I would like to say "thank you" to all the SFCA board members and committee persons for their hard work during the past year, which helped to keep Sherwood Forest subdivision the great neighborhood it continues to be.

**I would like to say a special thank-you** to Marcia Empson, Eyewatch chairperson, for organizing the recent block captains get-together. The event was a great success, with a large number of block captains in attendance. It was good to see so many of you interested in keeping our neighborhood safe. Thank you, block captains, from the president, for your dedication to Sherwood Forest.

**I would also like to thank Captain Danny Williamson** of the Baton Rouge Police Department, Commander of the Third District, for all that he and his officers do to keep Sherwood Forest safe. When a recent incident happened on my street and the block captain called 911 to report a suspicious person, the police responded in three minutes!

**I would like to take this opportunity** to thank all of our paid members of the SFCA and those of you who add an extra donation to fund our security patrol. Sherwood Forest has more than 2,900 homes' as of now we have 1,116 paid members. That's only a little more than one-third. I need our neighborhood to "step up to the plate"! Annual voluntary membership dues are only \$25. For information about joining, visit our website at [www.sfcabr.org](http://www.sfcabr.org) or use the form on Page 8 of this newsletter.

**The 2012 SFCA general membership meeting will be Thursday, October 25, 2012 at 7:00 p.m. in the Activity Center of St. Thomas More.** Thanks to St. Thomas More for the use of their facilities for our annual meeting and other functions throughout the year.

**Please mark your calendar.** All of the candidates for East Baton Rouge Parish Mayor-President have been invited to speak and there will be a question and answer session. Our meeting is only 12 days before the Nov. 6 election, so this is a great opportunity to come meet the mayoral candidates.

**I really look forward** to seeing you at the annual meeting and during the upcoming year. God Bless!

## **Got a problem? Just make a call!**

**You are encouraged** to keep your neighborhood neat and clean and your property values high by reporting concerns through the city-parish services paid for by your taxes.

**To find a governmental agency** that can address your concerns, call **311** and speak with a Citizen Services Specialist. The call will create a service request that will automatically be routed to the proper department to deal with things like zoning violations, street and pothole repair, tree branch hazards, loose or nuisance pets, cluttered carports, single-family zoning violations, building violations and many more. These same issues may be submitted online at [www.brgov.com](http://www.brgov.com) (call **273-1353** for help if you have problems using the online method). **MOST IMPORTANTLY, YOU MAY REMAIN ANONYMOUS!**

**Call 911 only in an emergency.** The non-emergency number for City Police is **389-2000**. For

### ***Off-duty deputy patrols promote safe streets, guard property***

**Two deputies** currently work extra-duty shifts in Sherwood Forest. They patrol in both marked and unmarked vehicles, making visual checks for speeding vehicles, suspicious activity around homes, loitering on streets and sidewalks, and parking violations. Warnings and/or tickets are issued for violations.

**The deputies follow up** on all issues phoned in to the SFCA security line (**273-1353**). This number also may be used by members of the association to request a vacation check of their property by the officers.

**The amount the association can spend** on these extra-duty deputies depends directly on income from membership dues and security donations. Join the SFCA today and help keep our neighborhood safe and beautiful!

SFCA President Ricky Shaffer got this photo after a heavy rain Aug. 18. We'll bet that kayak was back in service when Isaac arrived a couple of weeks later. Ship Ahoy!!!

# Comments from the Membership Chairman

By James Gray

**After volunteering** to become the membership chairman I was told it was a large task to undertake. The hours required, with the help of several volunteers, to process the membership dues is understated.

**It all begins** at the first of January when I refresh the database, which is in excess of 3,000 names and addresses. We print, fold and insert into envelopes more than 3,000 dues letters. With a group of volunteers to help, the task is accomplished in about a week. The next BIG STEP is taking 3,000 envelopes to the U.S. Postal Service bulk mailing station. Here we sign in, place the envelopes in trays and weigh them so we can qualify for the bulk mail rate. Depending on the workload at the post office, it can take several hours — provided all forms are filled out correctly.

**I began receiving your dues payment** in February (over 600-plus in 2012) and began entering the checks into our database, filling out deposit slips and stamping our account number for depositing in the association's bank account. I continue to receive several hundred dues payments through May. During the rest of the year, although more dues come in, I don't get as many at one time.

**I compile a membership list in March** that is printed in the spring newsletter with our current membership and again for the fall newsletter. I also enter the property transfers in the database to capture the new residents who move into Sherwood Forest during the year.

**There you have it --** a brief account of what it takes to mail the dues letters, maintain the database and keep it updated. Maintaining the membership and property transfers is imperative so that our database stays current.

**At the beginning** I said I volunteered to do this important job of the association.

## *Protect your property's value: Update your deed restrictions*

**Deed restrictions for six filings** in Sherwood Forest are due to renew before the end of 2013. One of the most effective ways to protect and perhaps enhance your property's value and the quality of life in your neighborhood is to update your filing's deed restrictions. This is the method you can use to actually "do something about" some neighborhood problems that have been frustrating you. \

**If you own a home** in the one of the following filings, you may contact **Gary Smith at 273-1353** or [security@sfcabr.org](mailto:security@sfcabr.org) to learn more about how you can protect your property's value. The entire process takes some time, so we need to get the ball rolling very soon if the filing's homeowners want to take advantage of this great opportunity. # What your SFCA board members do for our neighborhood

By *Patty Domingue*

It has come to our attention that many residents do not understand **what we do as board members**. As succinctly as we can, we will try to explain.

First of all, each one of us spends countless hours each week handling **complaints about properties** and speaking, when possible, to city personnel concerning these matters. City bureaucracy moves slowly; so although it looks as if nothing is happening at certain properties, be assured we are working on it. Our attorney is handling a couple of issues at present, as is the EBR parish attorney.

We also **organize and participate in petitions**, as needed, concerning matters that pertain to our neighborhood. Then we **go to the appropriate hearing** on the matter. This year we spoke at the ABC Board in opposition to a package liquor license being given to La Patrona, but it appears that the ABC board members had already made up their minds, and we were not successful. We also went to **traffic court** to follow up on vehicles parked illegally that were issued citations. We attended a **meeting with city and parish officials** concerning the **status of the sewer improvements project and the Green Light Plan**; at which time we learned that sometime in the near future a new traffic light will be installed at Sherwood Forest Boulevard and Old Hammond Highway to control the problem of two lanes becoming one at the subdivision entrance.

We **attend Metro Council and zoning meetings** when necessary. One of our board members is president this year of the citywide Greater Baton Rouge **Federation of Greater Baton Rouge Civic Associations**. He plans and attends meetings monthly and keeps us abreast of what is happening in the city as a whole.

Then there is the matter of **managing our membership records**, monies received and **bills to be paid** for beautification, extra patrols from the sheriff's department, newsletter production, etc. This takes an enormous amount of time and effort.

This **12-page newsletter** you are reading right now goes out twice a year and requires a lot of man hours to put together and get printed and delivered; which brings up the time involved to **solicit ads and visit with our advertisers**, each whom we greatly thank. Without our advertisers, you would not be reading this in color.

Members also drive the neighborhood to discern which yards deserve "Yard of the Month," which means giving of our time and using our own gas. Another member **interacts with our security patrol officers** and keeps track of warnings and tickets issued. The area of **updating deed restrictions** involves going door-to-door explaining the new guidelines and asking homeowners to sign off on the new restrictions.

We also owe a great deal of thanks to the **public officials**, especially District 8 Councilman Mike Walker and his Legislative Assistant, Zona Pickens, State Representative Ted James and Animal Control Center Director Hilton Cole, for their help throughout the year on many matters.

**Eyewatch:**

**Block captains “meet and greet”**

*By Marcia Empson, Eyewatch Co-chairperson*

**Eyewatch** block captains met at the St. Thomas More coffee shop on Monday, July 16 for a “meet and greet” event. Volunteers were able to talk to each other and share information. SFCA President Ricky Schaffer welcomed the group and thanked them for their participation as block captains.

**Eyewatch Committee co-chairpersons** Marcia and Richard Empson provided a handout explaining the responsibilities of a block captain and outlining further efforts to keep our subdivision an area where people enjoy living. Participants also offered their own suggestions for making Eyewatch more effective.

**Sherwood Forest** is the largest subdivision in the City of Baton Rouge, comprised of approximately 90 streets and 3,000 residences. Currently there are 31 volunteers serving as Eyewatch block captains, leaving approximately 60 streets without representation. Many of our streets are comprised of several blocks, which means there are large portions of streets that are without an Eyewatch block captain.

**The Sherwood Forest Citizens’ Association** wants to encourage all residents of our subdivision to participate in maintaining our safe neighborhood.

**Please contact** Marcia and Richard Empson to volunteer as an Eyewatch block captain. Our phone number is 272-2372, or you may email [msempson@bellsouth.net](mailto:msempson@bellsouth.net)

**Violators of parking restrictions are subject to ticketing**

This is a reminder of city-parish parking ordinances that, when violated, can result in a traffic ticket. To keep streets clear for emergency vehicles and to maintain the beauty of the neighborhood, residents’ cars should always be parked in the carport or garage or on a paved driveway.

Parking is not permitted on a sidewalk (or blocking a driveway sidewalk), in the area between the sidewalk and the street, on grass (particularly in the front yard), on medians (neutral grounds), or close to intersections. Wreckers, 18-wheelers, and other large, heavy trucks are not permitted in the neighborhood except while providing pick-up or delivery services. On-street parking is limited to nine consecutive hours.

The relevant ordinances, including these and others, are spelled out in the EBRP Code of Ordinances, Title 11, Chapter 28, “Traffic Code,” online at [http://search.municode.com/html/10107/MCC\\_TOC.html](http://search.municode.com/html/10107/MCC_TOC.html)
