The appearers further declare that they have established and do hereby establish certain building restrictions and conditions for the benefit of said property to be binding upon and enforceable by the present or future owners of said lots, it being the intention of appearers to establish these restrictions as servitudes and covenants running with the land and applicable to each of the above described and numbered lots, said restrictions being set out as follows, to-wit:

1. Except as hereinafter provided, all of the lots contained in this subdivision are hereby designated as residential lots, except lots numbered 1, 2, 3, 4, & 5, and no building shall be erected, altered, placed or permitted to remain on any lots other than one (1) detached single family dwelling not to exceed two and one-half stories in height and a private garage for not more than three (3) cars.
2. No building shall be erected, placed, or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the architectural control committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved.

3. The minimum requirements for residential structures are set out as follows: (a) For single-story residence 1150 square feet of living area. 7. These covenants prohibit the resubdivision of lots from any dimensions other than those shown on the official recorded plat, however, this does not prohibit the use of more than one (1) lot for one (1) residence.

In the event the committee or its designated representative fails to approve or disapprove within 30 days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have fully complied with.

- (g) Nothing herein contained shall be construed as prohibiting the use of these commercial sites for residential purposes, provided that the restrictions for residential or dwelling lots hereinabove set forth shall be complied with.

17. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten years (10) unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.
