# SECURITY REPORT Your Communication is Key to our Success!

We wish to thank our residents who have reported burglaries or attempted burglaries to us. The majority seem to be concentrated in the eastern part of Sherwood Forest.

The East Baton Rouge Police and Sheriff Dept are both well aware of the activity in this area. Over the past six

months we have had several changes in personnel, but feel we are still receiving the service we want and expect. I ask a lot of these guys and they haven't let me down.

### RECENT ACTIVITY:

Citations Issued.....	111
Warnings Issued.....	55
Junk Vehicles Tagged .....	9
Drug Related Arrests .....	7
Vacation Homes Monitored .....	31

Let us stress that your first contact in case of emergency should continue to be the Baton Rouge Police Department at 389-5247 or 911.

## WARNING: NOT PARKING IN YOUR DRIVEWAY CAN DO MORE THAN KILL YOUR GRASS!

Parking Ordinance "No Parking on the Grass": Effective 8-7-2006, this ordinance was amended by the Metro Council to ALLOW our security, The East Baton Rouge Parish Sheriff's Office, to enforce the ordinance on the spot! Changes to this ordinance now include side yards as well. We will request our officers to issue tickets to habitual offenders.

## "Help Wanted"

If anyone is interested, the association would like to break up our hospitality program into (4) quadrants (as indicated on the map in the newsletter). This would be overlooked by our hospitality chairman, George Francis. The responsibilities are contacting new residents, welcoming them to Sherwood Forest, and answering any questions they may have. Please contact, George Francis, for more information.

## CAN YOU BE FOUND IN AN EMERGENCY? DISPLAY YOUR HOUSE NUMBERS PROMINENTLY!

There are many homes in the subdivision that do not have house numbers visible. We urge all residents to display these numbers. It is very important, in case of an emergency whether EMS, police or fire need to find you—once you need them it's way too late to think about the fact you should have those numbers displayed for all to see!

When seconds count, can you be found? Your child has fallen and has a compound fracture, you or your spouse is in cardiac arrest, the grease on the stove caught fire and the fire is spreading, or you are hiding in your bedroom closet with your child clutching you and the burglar rummaging through your drawers! **DO YOU WANT EMERGENCY PERSONNEL SEARCHING FOR YOUR HOME IN THESE TYPE EVENTS!**

You may display your address on your curb in fluorescent paint, on your mailbox, to the right of left of your front door or above your door on the eave. It depends on how quickly you want to be found.

Parish ordinance Sec 7:26 uniform grid system, says that you must have your address displayed in Arabic numbers not less than three inches in height. It does not specify where these must be displayed, but we recommend that, at least, it be displayed above your front door on the eaves or to the right of left of your door.

## MASS COMMUNICATION

"We have had problems in the past year with our mass communication system. Hopefully by the time you read this newsletter, we will have it up and running again. This system will be used to notify members (Whose phone numbers we have) of our upcoming meetings and also to make you aware of anything we feel is of importance to our members"

## BE KIND AND KEEP OUR NEIGHBORHOOD CLEAN! PLEASE SCOOP THAT POOP!

The SFCA receives complaints regularly in regards to a few of our residents who walk their dogs without any consideration to other residents' yards. Please carry a bag with you and pick up your animal's droppings. To you other pet owners, and you are the majority, who pick up after your dogs, we thank you for being responsible owners. It takes all of us working together, respecting one another to preserve and enjoy a clean neighborhood!

## GARBAGE ALERT:

Remember—your garbage cans should not be out on the curb any earlier than 5:00 p.m. the day prior to pick ups (so that would be on Sundays and Wednesdays) and should be wheeled back in the same day as pick up. With our new containers, wheeling your receptacle to and from the curb should be a breeze

Recycling pickup in Sherwood Forest. Monday for residents EAST of Sherwood Forest Blvd. Thursdays for residents WEST of Sherwood Forest.
